

“Provident Fund Scheme for Workers in the Public Services” - Videos about quarterly performance of the fund

In addition to presenting about the performance of various investment funds in our semi-annual seminars (February and August), the fund companies will also produce, in a quarterly manner (May and November) since November 2018, videos about relevant information, so as to provide our members with more timely reference for their switching of application plans. You are welcome to watch these videos, [please enter here](#).
